Jimmy Murphy Sets World's
Record in International
Sweepstakes on Coast.

250 MILES IN 2:15:11 1-2

Milton Is Second, Hearne
Third, Hartz Fourth and
De Palma Fifth.

SAN FRANCISCO, Dec. 11.—Jimmy Murphy, San Francisco pilot, set a new world record here to-day when he won the 250 mile International Sweepstakes automobile race at the San Carlos Speedway by making an average of 110.6-10 miles an hour.

At times Murphy's speed was 113 miles an hour and he made the entire distance in 2 hours 15 minutes 11 1/2 seconds.

Tommy Milton was second, Eddie Hearne third, Harry Hartz fourth and Ralph De Palma fifth. Murphy was winner of the French Grand Prix last August.

The old mark which was shattered to-day was 109 miles an hour and was set at the Los Angeles Speedway last Thanksgiving Day.

Milton's second place will win for him the national speed championships for the year, officials announced, as he has enough points, with those won to-day, to give him the laurels.

De Palma's poor showing in the race was attributed to engine and tire trouble. Murphy's fastest lap, it was announced, was made in 39.4 seconds. The track is one and a quarter miles in circumference.

AMATEUR BOXERS IN STATE TITLE BOUTS

Ablest Men in Various Classes
Begin a Tourney To-night
in the Garden.

By CHARLES F. MATHISON.

Any one seeking relief from depression should go to Madison Square Garden to-night and get rid of the blues by watching the amateur boxers in competition for the New York State championships. These contests are under the auspices of the Metropolitan Association of the Amateur Athletic Union and the bouts provide thoroughly enjoyable entertainment. The contest of comely and fierce fighting renders these combats irresistibly attractive. The average amateur boxer is either an earnest, forceful fighter, with an eye to future fame as a professional, or he is a grotesque, acrobatic performer, whose actions inspire vociferous mirth.

Yet every amateur boxer who enters the ring does so with a set determination to win. If he has acquired boxing science he exerts all his skill. If he is not clever, but possesses strength and combativeness, he makes a whirlwind fight. There will be twenty bouts each night, and as the highest prize sent will be two dollars the entertainment is within reach of all.

Lightweight Bouts a Feature.

The feature class will be the lightweight, with Martin J. Smith, Congress Own Council, K. of C., ruling the favorite. He will, however, have his hands full as Joseph A. Garvey, Ozanam Association, is also entered. Garvey's record in four rounds at a tournament held in the Garden last October, after one of the most sensational bouts ever witnessed in the ring. Some of the prominent sport writers who witnessed this bout declared it was the best they had seen in years.

Other noteworthy competitors are Dominick Servedo, Paulist A. C.; Sidney Bert, Bronxville A. C.; who has twelve tournaments; George Smith, Clark House A. C.; winner of the last Crescent A. C. tournament; Nick Penuti, the veteran from the Paulist A. C.; Bert Bostein, Ninety-second Street Y. M. C. A.; the clever boxer, who has not been defeated all year; Albert Harbeck, who is coming down from Albany with an excellent record; Arthur Weigand and William Schaefer, both from Buffalo. It is seldom that so many good boxers in the lightweight class as those mentioned above.

The middleweight class will have Charles Kuay, Montauk A. C., winner of the last Garden tournament; William Macintosh, St. James A. C., winner of the Brooklyn Garden tournament; Willie Covert, Fastime A. C., winner of a number of open tournaments held last year; and Max Feuerstein, Lincoln Gym, winner of the last Metropolitan Club tournament.

The bouts will start at 8:15 P. M. and continue until midnight.

Corbett Enjoyed Bout.

Previous to the Dempsey-Carpenter bout Jim Corbett, the eminent actor, was very reticent and declined to express an opinion as to the outcome of the contest or as to the capabilities of the fighters. But after the event he referred as follows:

"Well, the champion of France was defeated, but Bill, I was not very happy. I was disappointed in both of them. I enjoyed the bout because Carpenter gave us a thrill. In the second round he hit Dempsey on the jaw four or five times. When he came up for the third round you could see at once he was tired out. Then Dempsey just mowed him down."

"Carpenter has a very quick right hand—Chap's all right and no defense whatever. Dempsey is too easy to hit to be considered a great man. He can't lead or counter, but just walks in wide open and not extra quick. He was a heavy boxer for Jackson, Fitz or Jeffries. As for Corbett's post fight views will interest the public and will entertain both Dempsey and Carpenter."

It is a fortune thing for Corbett that Dempsey was not in his prime when the Gentlemen Jim was title holder. Dempsey would have won from Corbett in less than the fourteen rounds Fitz required to get over his solar plexus blow. Dempsey would have made a great fight, but the present champion's wonderful speed would have enabled him to win from both.

Jack Britton is reported to have said that he will not make any more matches until he and Benny Leonard meet in the ring. Why should the esteemed welter champion wait for Benny? Why not champion wait for the welter title with Mickey Walker or with Jack Malone? Possibly there is not so much chance of Jack losing his title to Leonard as to Walker or Malone.

It is noted that John the Barber, Jr., who boxes Sol Seaman at the Star S. C. to-night, is "trimming" his opponents with great regularity. Young Seaman is rapidly developing into a dangerous boxer.

Bryan Downey is to box with Unhappy Littleton at New Orleans to-night. If Downey loses half of the middleweight title to Littleton the championship situation will be rather complicated. In that event it would be appropriate for Harry Greb to direct Willie Brown to the Look Out, because son of his 50 per cent. and then make a match with Littleton.
